5209 Student Use of Wireless Communications Devices

Students may not use Wireless Communications Devices on school grounds during instructional time, except as otherwise provided in this Policy.

"Wireless Communications Device" is an electronic device capable of, but not limited to, text messaging, voice communication, entertainment, navigation, accessing the internet, sending and receiving photos and videos, or producing email.

"Instructional time" is defined as the start of the school day when instruction begins until dismissal at the end of the school day, excluding lunch and passing time.

"School grounds" means a building, playing field, or property used for school purposes to impart instruction to children or used for functions and events sponsored by a school. School grounds does not include a building used primarily for adult education or college extension courses.

Students may use Wireless Communications Devices on school grounds during school hours, including during instructional time, if the Wireless Communications Device is:

- medically necessary for a student to monitor a health issue;
- required by a student's Section 504 Plan or IEP;
- a District-owned device;
- designated by the District to be used for instructional purposes;
- permitted by a classroom teacher for lesson-specific academic assignments; or
- used during an emergency situation in accordance with the District's emergency operations plan under Policy 3402, so long as it does not interfere with school emergency protocols or first responders or endanger students or staff.

Students are personally and solely responsible for the security of their Wireless Communications Devices. The District is not responsible for theft, loss, or damage of any Wireless Communications Device.
