## **ARTICLE V**

### **GRIEVANCE PROCEDURE**

- A. A grievance is defined as a claim by a Bargaining Unit Member that there has been a violation, misinterpretation or misapplication of the express terms of this Agreement.
- B. Written grievances as required herein shall contain the following:
1. It shall be signed.
  2. It shall be specific.
  3. It shall contain a brief summary of the pertinent facts causing the grievance.
  4. It shall cite the section or subsections of this Agreement alleged to have been violated.
  5. It shall contain the date of the alleged violation.
  6. It shall specify the relief requested.
- C. The Association shall furnish the Superintendent with the names of the departmental representatives assigned by the Association to handle grievances on or before the 15th day of September of each year of this Agreement. Unless otherwise designated in writing, the Board hereby appoints its departmental supervisors to act as its representatives at Level One as hereinafter described and the Superintendent (or his/her designated representative) to act at Level Two as hereinafter described.
- D. The term "days" as used herein shall mean scheduled workdays. A "workday" shall be defined as any day when the central administrative offices of the school are open. Time limits may be extended only upon mutual written agreement of the parties. Any grievance not answered within the time limits by the District or its representatives may be advanced to the next step by the Association. Any grievance not pursued or appealed by the Association

or Bargaining Unit Members within the time limits hereinafter specified shall be deemed settled on the basis of the District's last response.

**E. Level One - Supervisor**

A Bargaining Unit Member wishing to process a grievance, as defined above, shall within ten (10) days of its alleged occurrence orally discuss the grievance with the department supervisor in an attempt to resolve the same. The supervisor shall be advised in the oral discussion that the events being discussed are being presented as the basis for a grievance and the terms of this Agreement upon which the grievance is based. Failure to do so will invalidate the grievance. If no resolution is obtained within five (5) days of the oral discussion, and if the Employee wishes to pursue the matter further, he/she shall reduce the grievance to writing and proceed within five (5) days of said discussion to Level Two.

**Level Two - Superintendent**

A copy of the written grievance shall be filed with the Superintendent or his/her designated agent as specified in Level One. The Superintendent or designated agent shall within ten (10) days of the filing of the grievance arrange a meeting to discuss the grievance. The grievant may, if he/she chooses, be accompanied to said meeting by a representative from the local Association and/or a MEA staff representative. The Superintendent or designee shall have ten (10) workdays following this discussion within which to render a written decision on the grievance, transmitting a copy of same to the grievant and the Association.

**Level Three - Board of Education**

If no decision is rendered by the Superintendent within the above time limitations or if the decision is unsatisfactory to the grievant and the Association, the Association may appeal the grievance to the Board of Education by filing a notice of appeal along with the decision of the Superintendent to the Board of Education Secretary within five (5) days after receipt of the Superintendent's written disposition or the deadline for such disposition, whichever occurs first.

Upon receipt of the written grievance, a Committee of the Board of Education shall schedule a hearing on the grievance. The Committee shall make a recommendation to the Board. The Board shall make a written disposition of the grievance no later than twenty (20) days following the next scheduled Board meeting after the Committee hearing. The Board may hold future hearings thereon, may designate one or more of its members to hold future hearings thereon, or otherwise investigate the grievance. However, the final determination of the grievance by the Board shall be made not more than twenty (20) days after the initial Board Committee hearing, except with the express written consent of the Association.

**Level Four - Binding Arbitration**

Only the Association shall have the right to process or appeal a grievance at Level Four.

1. If the Association is not satisfied with the disposition of the grievance at Level Three, it may within ten (10) days after the decision of the Board refer the matter to arbitration to the American Arbitration Association, in writing, and request the appointment of an arbitrator to hear the grievance. Within such ten (10)-day period, the Association will also serve a copy of the Demand for Arbitration upon the Board of Education.
2. Neither party may raise a new defense or ground during the arbitration proceeding. Each party shall submit to the other party not less than five (5) days prior to the arbitration hearing, a pre-hearing statement alleging facts, grounds, and defenses which will be proven at the hearing. The parties may also elect at such time to confer in an attempt to settle the grievance.
3. The powers of the arbitrator are subject to the following limitations:
  - a. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
  - b. He/she shall have no power to establish salary scales or to change any salary.
  - c. He/she shall have no power to rule upon the termination of services of or failure to re-employ any probationary Employee.
  - d. He/she shall have no power to consider any claim for which there is another remedial procedure or forum established by law or governmental regulation.
  - e. He/she shall have no power to rule upon the content of an Employee evaluation.
  - f. He/she shall have no power to change any practice, policy or rule of the District nor to substitute his/her judgment for that of the District as to the reasonableness of any such practice, policy, rule or any action taken by the District. His/her power shall be limited to deciding whether the District has violated the express Articles or sections of this Agreement. He/she shall not imply obligations and conditions binding upon the District from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the District.
  - g. He/she shall have no power to decide any question which, under this Agreement, is within the responsibility of management to decide. In rendering a decision, the arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
  - h. He/she shall have no power to interpret state or federal law.
  - i. He/she shall not hear any grievance previously barred from the scope of the grievance procedure.

More than one grievance may not be considered by the arbitrator at the same time except upon the express written mutual consent of the parties and then only if the grievances are of a similar nature. The cost of the arbitrator shall be borne equally by the parties except each party shall assume its own cost for representation including any expense of witnesses.

- F. If either party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have no jurisdiction to render a decision on the merits until he/she has first made a ruling on the issue of arbitrability. By stipulation of the parties, the arbitrator shall have the authority to concurrently hear both the jurisdictional issues and the merits of the dispute in the same proceeding. Should the arbitrator determine that he/she is without jurisdiction to rule, the matter shall be dismissed without decision on the merits. Submission of jurisdictional issues to the arbitrator shall not be regarded as a waiver by either party of its right to institute civil litigation contesting either the authority of the arbitrator or any award allegedly rendered in excess of such authority. The Opinion and Award of the Arbitrator shall be final, binding and conclusive upon the Association, District and Employees. Any litigation to vacate or enforce the Arbitrator's award must be initiated within six (6) months of issuance of the Opinion and Award.
- G. The District shall not be required to pay back wages more than twenty (20) days prior to the date a written grievance is filed.
1. If any Employee for whom a grievance is sustained shall be found to have been unjustly discharged, he/she shall be reinstated with full reimbursement of all compensation lost. If any Employee shall have been found to have been improperly deprived of any compensation or advantage, the same or its equivalent in money shall be paid to him/her and his/her record cleared of any reference to this action.
  2. All claims for back wages shall be limited to the amount of wages that the Employee would otherwise have earned or could have reasonably earned less any compensation that he/she may have received from any source during the period of back pay.
  3. No decision in any one case shall require a retroactive wage adjustment in any other case.
- H. All preparation, filing, presentation or consideration of grievances shall be held at times other than when a Bargaining Unit Member or participating Association representative is to be at his/her assigned duty station, except as otherwise mutually agreed to the contrary between the District and the Association. When there is agreement to release Association representative(s) under this paragraph, their compensation shall be paid for any regular work hours missed.
- I. The time limits set forth herein shall be strictly adhered to but may be extended by mutual agreement of the parties confirmed in writing.
- J. Notwithstanding the expiration of this Agreement, any claim or grievance arising during the term of this contract (as defined in the duration clause) may be processed through the grievance procedure until resolution. It is understood by the parties that no grievance shall be filed or based upon any prior or previous agreement or upon an alleged grievance occurring prior to the effective date of this Agreement. Further, grievances filed after the expiration of this Agreement shall not be processed under these grievance procedures unless otherwise specifically agreed in writing by both the Board and the Association.

- K. The Employer shall permit authorized Association representatives' access to and the right to inspect copies of personnel files, and other files or records (not exempt from disclosure by law) which pertain to the grievant or which are reasonably necessary for processing of a grievance.

## **ARTICLE VI**

### **DISCIPLINE OF EMPLOYEES**

- A. Upon satisfactory completion of the designated probationary period, a seniority Employee will not be disciplined or discharged without just cause.
- B. A Bargaining Unit Member shall be entitled, upon request, to have present a local Association representative and/or a MEA staff representative, for any Employer conference pertaining to the investigation and/or imposition of discipline. Prior to holding a conference for these purposes, the Employer agrees to inform the Bargaining Unit Member if it then anticipates that the conference could lead to discipline of the Bargaining Unit Member
- C. Prior to taking disciplinary action the Employer shall promptly conduct an investigation to determine the relevant facts and conduct an investigatory interview with the Bargaining Unit Member. At this conference, the Employer will present the Bargaining Unit Member with the charges against him/her and provide the Bargaining Unit Member an opportunity to respond. The Bargaining Unit Member shall promptly provide the administration with the full particulars of the alleged incident(s) for which discipline is being contemplated.
- D. The Employer will use a progressive/corrective discipline approach in assessing disciplinary measures. The disciplinary measures imposed shall be appropriate to the misconduct or deficiency in performance. More advanced levels of discipline may properly be imposed for initial instances of serious misconduct. Discharge shall be appropriate for repeated misconduct or deficiency in performance where progressive disciplinary measures have previously been assessed or for serious misconduct or deficiency in performance which justifies discharge in the first instance.

Progressive disciplinary levels are as follows: (1) verbal discussion with Employee; (2) written warning; (3) written reprimand; (4) suspension without pay; (5) dismissal.

The District shall have the right to place an Employee on paid suspension for such time as is necessary to complete a disciplinary investigation.

- E. The Board agrees to provide an area in which a Bargaining Unit Member who is suspended or discharged may meet with an Association representative before the Bargaining Unit Member is requested to leave the premises.
- F. By mutual written agreement, the parties may stipulate, in cases of discharge, to bypass Level One and/or Level Two of the grievance procedures set forth in Article V of this Agreement.
- G. Each Employee shall have the right, by appointment, to review the contents of his/her personnel file. A representative of the Association may, at the request of the Employee, accompany the Employee at this review. Privileged information, such as confidential

credentials and related personnel references from sources outside Evart Public Schools, is specifically exempt from review. Written complaints regarding an Employee shall include the name of the complainants and any administrative action taken and shall be reviewed with the Employee before placement in the personnel file.

In the event that the District receives a Freedom of Information Act (FOIA) request for information in a Bargaining Unit Member's personnel file, the District shall promptly notify the affected Bargaining Unit Member. Notice to the Bargaining Unit Member's address or phone number, on file with the District, shall be sufficient for this purpose. The District shall allow the affected Bargaining Unit Member an opportunity to review any material being released prior to it being released, provided that the Bargaining Unit Member makes himself/herself available within the period in which the District is required to respond to the FOIA request.

## **ARTICLE VII**

### **PROBATIONARY PERIOD**

- A. A newly hired Bargaining Unit Member shall be on probationary status for sixty (60) calendar days, taken from and including the first day of regular employment. However, the District may extend the probationary period for an additional twenty (20) calendar days. (In the event that the probationary period is extended, written notice will be given to the involved Employee and the Association) If at any time prior to the completion of the probationary period, the Bargaining Unit Member's work performance is regarded as unsatisfactory by the Employer, the Employee may be dismissed without appeal. Probationary Bargaining Unit Members who are absent on scheduled work days shall work additional days equal to the number of days absent, and such Employee shall not have completed their probationary period until these additional days have been worked.
- B. Upon satisfactory completion of the probationary period, the Bargaining Unit Member's seniority date shall be retroactive to the first working day. At that time, the Bargaining Unit Member's name shall be entered on the seniority list. A discharged probationary Employee, who is rehired within ninety (90) working days of discharge, shall have seniority from the first date of hire.

## **ARTICLE VIII**

### **SENIORITY**

- A. "Seniority" shall be defined as the length of a Bargaining Unit Member's continuous and uninterrupted employment in the respective seniority classifications of this bargaining unit from the Employee's initial date of hire (i.e. first working day) in such classification(s). The parties agree that the seniority list dated July 21, 1998 accurately reflects the "initial date of hire" of each Bargaining Unit Member listed subject to the provisions of Paragraph D of this Article. Time spent on layoff or unpaid leave of absence shall not interrupt seniority but shall not count for service credit for entitlement to other benefits under this Agreement. Seniority is not cumulative among seniority classifications and may be exercised only within

the classification in which it is accumulated. Movement from one classification to another shall not terminate seniority that the Employee has previously accumulated in any other classification under this Agreement, provided there has not been a break in continuous employment. However, seniority in the former classification shall not continue to accrue in that classification while the Employee is working in another classification. Bargaining Unit Members assigned to cover other classification positions outside of their regular assigned duties shall accrue seniority in the position being filled on a prorated time of actual duties performed. (Example: covering 1 hour of an 8-hour day for an entire school year 1/8 of a year of seniority). This is effective from the date of ratification of the collective bargaining agreement going forward.

B. There shall be no seniority among probationary Employees. After satisfactory completion of their probationary period, Bargaining Unit Members will be entered on the seniority roster in accordance with the provisions of Article VII of this Agreement.

C. The seniority classifications of this bargaining unit are as follows:

1. Secretarial/clerical Employees
2. Food service workers
3. Custodial/maintenance workers
4. Educational Assistants\*
5. Playground Assistants
6. RTC Coordinators/Building Level Behavioral Coordinator
7. Grounds Maintenance
8. District Custodial Maintenance \*\*

\*Includes:      Instructional Assistants      General Ed Assistants  
                     Library Assistants              Special Ed Assistants  
                     Medical Assistants              Building Subs/Utility Ed Asst.

\*\* (Assigned to all three buildings)

D. The Employer shall prepare and maintain a seniority roster showing the length of service of each Bargaining Unit Member within the respective seniority classifications. A copy shall be furnished to the Association not later than October 1 annually. If no objections are received within thirty (30) days thereafter as to the accuracy of the seniority list, the Employer's list shall be regarded as conclusive. In the event more than one Bargaining Unit Member has the same length of service in a seniority classification, seniority placement on the list shall be determined by a mutually agreeable method, (coin toss or draw straws), accomplished in the presence of a representative from both the Association and the District.

E. Seniority shall be lost for the following reasons:

1. The Employee quits.
2. The Employee retires.

3. The Employee is discharged under Article VI (and not reinstated through procedures set forth in this Agreement).
4. The Employee fails to return to work within ten (10) working days after issuance of the District's notice of recall to the last known address of the Bargaining Unit Member as shown on the District's records. It shall be the responsibility of the Bargaining Unit Member to provide the District with a current address.
5. The Bargaining Unit Member is laid off or had not, for any reason, worked (substitute service of ten days or more in any six month period) for the District for a continuous period exceeding the length of the Employee's employment on the effective date of layoff or two (2) calendar years from the effective date of layoff, whichever occurs sooner. When a Bargaining Unit Member provides substitute service of ten (10) days or more in any six (6) month period, his/her recall eligibility shall be extended for two (2) calendar years from the last date of substitute service.
6. The enumeration of the above conditions for loss of seniority shall not constitute a limitation upon the right of the Employer to impose disciplinary measures (including discharge) for violation of the Employer's rules and policies which are not in conflict with the express terms of this Agreement.

## **ARTICLE IX**

### **LEAVES OF ABSENCE**

#### **A. Sick Leave**

1. **Accumulation:** Each Bargaining Unit Member shall be credited with one (1) sick day per month worked to a maximum of twelve (12) days per fiscal year (July 1 - June 30). A month worked is defined as a month when an Employee is scheduled to work ten (10) days. Employees scheduled to work at least ten (10) days in June and August combined shall receive credit for one (1) sick day. Sick leave for Bargaining Unit Members shall accumulate according to the number of hours the Bargaining Unit Member was scheduled to work. Sick leave shall be accumulative to one hundred-twenty (120) days.
2. **Use:** Acceptable reasons for sick leave with pay shall be personal illness, scheduled doctor's appointments, or injury or serious illness or death in the immediate family of the Employee. Employees will attempt to schedule appointments so that they do not occur during an Employee's work schedule. If appointments must be scheduled on a scheduled workday, the Employee will attempt to schedule the appointment at the beginning or ending of the workday. "Immediate family" shall be interpreted to include father, mother, brother, sister, husband, wife, child, parent-in-law, son or daughter-in-law, grandchildren and grandparents. Additional days may be approved for this purpose by the Superintendent.
3. The Superintendent may require that any Bargaining Unit Member applying for use of sick leave exceeding three (3) consecutive working days or an Employee with a

pattern of absences procure a doctor's certification of illness, injury, or disability for the days absent.

4. The Superintendent may at any time require any Bargaining Unit Member to submit to a physical and/or mental examination by an appropriate practitioner selected by the District for purposes of verifying the Bargaining Unit Member's eligibility for leave or return from leave under this Agreement or to verify the Bargaining Unit Member's ability to successfully perform his/her assignment. Such examination shall be paid for by the Board.
5. Reporting Procedure: Absences shall be reported to the Bargaining Unit Member's immediate supervisor, or designee, at least two (2) hours before the Employee's scheduled starting time, except in case of emergency. Should the Employee know that the absence will continue beyond two (2) or more consecutive days, the Bargaining Unit Member shall notify his/her immediate supervisor or designee Central Office if immediate supervisor is unavailable to this effect before the end of the first such day and each succeeding day of absence thereafter. In cases of prolonged illness, the Bargaining Unit Member may be excused by the immediate supervisor from making such daily reports, provided that the Bargaining Unit Member has submitted in advance to the immediate supervisor a physician's statement detailing the reasons for absence and the anticipated date of return to duty.
6. In cases where the Bargaining Unit Member receives wage continuation benefits through Workers' Compensation and/or any disability income protection plan funded by the District, the Bargaining Unit Member shall be limited to the benefits received through Workers' Compensation and/or disability income protection insurance. In such case, the Employee may not utilize sick leave.
7. Upon retirement from the District and application to the Michigan Public School Retirement System for retirement, Bargaining Unit Members with a minimum of five (5) years of continuous service in Evart shall receive fifty (50.00), bargaining unit members with a minimum of ten (10) years of continuous service in Evart shall receive seventy dollars (70.00) per unused sick leave day to a maximum of one hundred (100) days.

Upon retirement from the District and application to the Michigan Public School Employees Retirement System for retirement or written resignation to the Superintendent and Board of Education, Bargaining Unit Members with a minimum of fifteen (15) years of continuous service in Evart shall receive seventy dollars (\$75.00), \$80.00 if twenty (20) years or more and eighty-five dollars (\$85.00) for members with twenty-five (25) years or more with Evart Public Schools, per unused sick leave day to a maximum of one hundred (100) days. For purposes of this provision, "continuous service" is not broken by a layoff but time of layoff does not count for receipt of the above severance benefits

8. When a situation arises whereby an Employee has exhausted his/her accumulated sick leave and is still facing a substantial loss of income due to catastrophic circumstances, the Board and Association shall meet to investigate the feasibility of

donating sick days to said individual from other Bargaining Unit Members. The Employee will be required to exhaust personal business and vacation and take three (3) unpaid days per school year before he/she will be eligible to receive donated sick days. The unpaid days shall not affect the fringe benefit level of participation by the Board. In addition, the Employee, upon request, will provide the elected officers of the Association with documentation of the catastrophic circumstances. At no time shall the donated number of days exceed forty-five (45). Any donated days which are unused shall be returned to the party or person making the donation. Where more than one Bargaining Unit Member makes a donation, the Association shall advise the District, in writing, regarding the identity of the Employees to whom any unused days shall be returned.

9. For purposes of the Family and Medical Leave Act, sick leave allowed, and which is taken under this Article shall be charged against an eligible Employee's leave entitlement under the Family and Medical Leave Act, at the election of either the District or the Employee. This shall apply to:
  - a. Sick leave which is utilized pursuant to Paragraph A (1) of this Article to care for a family member (child, spouse or parent, as defined in FMLA) with a serious health condition, including where the eligible Employee must make arrangements for necessary medical and/or nursing care.
  - b. Sick leave which is utilized pursuant to Paragraph A (1) of this Article due to serious health condition which renders the eligible Employee unable to perform the essential functions of his/her job.

10. Attendance Incentive

- a. School year Employees whose absences (except for paid vacations, paid holidays, jury duty or court subpoena approved school business leave [e.g. training], and Association business leave) do not exceed the levels below, receive a payment according to the following schedule below:

0 days absent:	\$250.00
1 day absent:	\$225.00
2 days absent:	\$200.00

- b. Full-time (twelve [12] month) Employees whose absences (except for paid vacations, paid holidays, jury duty or court subpoena approved school business leave [e.g. training], and Association business leave) during a six-month period do not exceed the levels specified below shall receive a payment according to the following schedule below:

0 days absent:	\$275.00
1 day absent:	\$250.00
2 days absent:	\$225.00

(For purposes of this section, the six (6) month period shall be July 1 - December 31 and January 1 - June 30.) For full time twelve (12) month employees. (For school

year it shall be the workday prior to winter break and the last scheduled day of the school year.)

Note: If an Employee uses a portion of a day, he/she will not be eligible for the stipend for zero (0) days absent. Furthermore, partial absences will be combined in a manner that if the total time missed is less than the equivalent of one (1) day absent, the Employee will be entitled to receive the stipend for one (1) day absent and likewise for two (2) days absent.

Note: A bargaining Unit Member may use one (1) personal business day without it counting against the attendance incentive.

#### **B. Bereavement Leave**

A leave of absence with pay not chargeable against the Bargaining Unit Member's paid sick leave shall be granted for up to four (4) days for deaths in the immediate family, (spouse, parents, children, siblings, in-laws, grandparents, grandchildren and dependents living in the immediate household of the Bargaining Unit Member). For death of close friends and other relatives not listed sick days or personal days may be used with the approval of the superintendent. Additional days for this purpose may be requested of the Superintendent and if approved, shall be deducted from the Employee's accumulated sick leave.

#### **C. Personal Business Leave**

A Bargaining Unit Member, working less than forty-four (44) weeks, shall be granted three (3) personal days each fiscal year. Bargaining Unit Members working less than 44 weeks may convert up to two (2) accumulated sick day(s) per year to a personal business day.

A Bargaining Unit Member, working a minimum of forty-four (44) weeks, shall be granted four (4) personal days each fiscal year. Bargaining Unit Members working a minimum of 44 weeks may convert one (1) accumulated sick day to a personal day per year.

Any unused personal days at the end of the year can be paid out at the regular rate as long as they aren't personal business days converted from accumulated sick time.

The fiscal year is July 1 - June 30. These days are for the purpose of conducting personal business of an urgent and necessary nature which requires the personal presence of the Bargaining Unit Member and cannot be arranged at an alternative time which does not interfere with the duties of employment. Request for use of personal business leave indicating the circumstances necessitating its use must be made at least seventy-two (72) hours in advance to the Bargaining Unit Member's immediate supervisor. The Superintendent reserves the right to inquire about usage.

The personal business leave for part-time Bargaining Unit Members [less than six (6) hours per day] shall accumulate according to the number of hours they are scheduled to work.

Any personal business days not used will be paid on the last pay of the school year at the employee's regular rate of pay.

- D. Any Bargaining Unit Member who is subpoenaed to testify during working hours in any judicial or administrative matter (excluding adversarial matters between the District and the Association and/or the District and the Bargaining Unit Member) shall be paid his/her full compensation for such time, less any compensation received as witness fees. The Bargaining Unit Member shall be expected to return to work promptly upon completion of this obligation if there is any time remaining on the Bargaining Unit Member's regular work shift.

E. Jury Duty

A Bargaining Unit Member who is summoned for jury duty shall suffer no loss of compensation due to his/her absence for this purpose for the time required which conflicts with the Bargaining Unit Member's regularly scheduled work assignment. The Bargaining Unit Member will report to work promptly when released from jury duty to resume his/her scheduled work. The District shall not be obligated to compensate the Bargaining Unit Member more than his/her regular rate of pay for the scheduled hours missed less any amounts which the Bargaining Unit Member is entitled to receive from the court as a juror fee. The Bargaining Unit Member shall advise his/her immediate supervisor of the necessity for this absence as soon as he/she is advised of the obligation to serve.

F. Conditions of Leaves of Absence

1. In the event an Employee takes paid leave time (sick or vacation) the Employee's benefits (leave accumulation, insurance, etc.) shall continue to accrue or be paid as though the Employee was working.
2. A Bargaining Unit Member who requests and is granted an unpaid leave of absence due to illness, disability or injury which incapacitates him/her and whose sick leave has been exhausted, shall have his/her health insurance premium paid for a maximum of thirty (30) calendar days from the date on which sick leave is exhausted unless a longer period of Employer paid coverage is required under the Family and Medical Leave Act. Thereafter, the Employer shall have no further responsibility to continue fringe benefit premium payments on behalf of said Employee, unless and until such time as the Employee is actively returned to work and is entitled to reinstatement of benefits.

If the Employee fails to return from leave taken under the Family and Medical Leave Act (except in the event of the continuance, onset or recurrence of a serious health condition of the Employee, of the Employee's family member or other circumstances beyond the Employee's control) the District shall have the right to recover all health plan premium payments made during the unpaid leave interval. This shall not include recovery of any health plan premiums for periods of paid leave which have been substituted for unpaid leave under the Family and Medical Leave Act. Amounts owed may permissibly be deducted from any wage or other payments due the Employee, with any deficiency to be remitted by the Employee to the District within thirty (30) days of demand.

3. All other unpaid leaves of absence, (other than as described in paragraph 2 above), shall not entitle the Bargaining Unit Member to any benefits under this Agreement except as otherwise specifically described under the terms of this Agreement.
4. Upon expiration of a leave of absence, an Employee shall be returned to his/her position from which leave was taken, if in existence, or if not, to a position within his/her classification for which he/she possesses sufficient seniority. Return to an assignment shall be subject to the operation of the reduction in personnel procedures of this Agreement. Compliance with the above requirements shall be considered restoration to an "equivalent" position for purposes of the Family and Medical Leave Act.

**G. Association Business**

The Association will be allocated a total of forty-five (45) hours per school year for the purpose of conducting Association business. Association business shall not be conducted during a time when a Bargaining Unit Member is scheduled to perform work responsibilities. Notice of intent to use this leave shall be given to the Superintendent at least three (3) workdays in advance. The cost of substitutes shall be paid by the Association.

**ARTICLE X**

**LAYOFF AND RECALL**

- A. "Layoff" shall be defined as a determination by the District to effectuate a reduction in the work force, which reduction is implemented either by discontinuing the employment of a designated number of individual Employees and/or through a reduction in the hours assigned to positions within the bargaining unit. The Employer reserves the right to select the job classification(s), department or school in which the layoff shall take place. Bargaining Unit Members to be laid-off will be provided fifteen (15) work days' notice of layoff prior to the effective date of the reduction.
- B. In the event of a layoff, the Board shall identify the specific position(s) to be reduced in hours or eliminated and shall notify in writing the Employee(s) in those positions. When the Employer determines to reduce the size of the work force through elimination of positions in a seniority classification, Employees in the seniority classification shall be reduced in order of least seniority within the seniority classification being reduced, provided that there are more senior Employees within the seniority classification remaining who possess the skills and qualifications required to perform the assignments vacated by the least senior Employee(s) in the classification.

When the Employer determines to institute a layoff through a reduction of one (1) or more hours per day in a position, or an annual reduction in days of a work schedule, the Bargaining Unit Member assigned to that position at the time of reduction has the right to displace the least senior Employee in the same classification, who is assigned to a position having a greater number of hours, provided that the more senior Employee has the skills and qualifications required to perform the assignment of the least senior Employee in the same classification. This displacement may only take place by the more senior Employee leaving the position in which hours have been reduced and then taking the entire position held by the least senior Employee in the same classification. The least-senior Employee, who is

displaced, provided he/she is within the same classification and possesses the required skills and abilities, will then be assigned to the position vacated by the more senior Employee in the same classification.

- C. A Bargaining Unit Member who is laid off from a position in his/her present seniority classification may be assigned to a position in another seniority classification in which he/she has previously accumulated seniority, provided that there is a less senior Employee in that classification and that the more senior Employee possesses the skills and qualifications necessary to perform the assignment in the other classification. Any such bump must be exercised upon the least senior Employee within the other classification, provided that the bumping Employee is qualified to perform the work of the displaced Employee.
- D. The District shall recall Employees from layoff according to their seniority within the classification of the vacant assignment(s), provided that the recalled Employee is presently qualified (at the time of recall) to perform the available work. There shall be no obligation under this agreement to post a vacancy where there are Bargaining Unit Members on layoff who are properly classified and qualified to fill the vacancy.
- E. Notices of recall shall be sent by certified mail, return receipt requested, to the Bargaining Unit Member's last known address as shown on the District's records. It shall be the Employee's responsibility to keep the District notified of his/her current mailing address. The recall notice shall state the time and date on which the Employee is to report to work. A recalled Employee shall be given ten (10) workdays from receipt of a recall notice to report to work. The District may fill the open position on a temporary basis until the recalled Employee is scheduled to report for work. An Employee who declines recall to perform work for which he/she is classified and qualified under this Agreement shall forfeit his/her seniority rights under this Agreement and shall be considered a quit.
- F. Employees on layoff shall accrue seniority during the period of such layoff but shall not acquire service or experience credit for purposes of entitlement or eligibility to any other benefit under this Agreement.
- G. Any school year Employee who draws unemployment compensation benefits due to layoff and then is recalled to a position not less than the same classification, number of hours, and rate of pay at the beginning of the school year immediately following the layoff, shall repay the School District the amount of unemployment compensation benefits received. Repayment shall be made before the end of the school year. Payroll deduction shall be available at the Employee's option. If fifty percent (50%) of the amount owed is not repaid by the Employee by February 1st of the school year immediately following the layoff, the remainder owed shall be collected by the District through adjustment of the Employee's wages over the remainder of that school year with the deduction spread over the remaining payrolls of that school year.
- H. Reinstatement for employment will expire in twelve months following lay-off.

## **ARTICLE XI**

### **NEGOTIATION PROCEDURES**

- A. Upon mutual agreement, the parties may confer during the term of this Agreement for the purpose of discussing matters of common concern. The parties shall cooperate in scheduling such meetings at mutually convenient times. Items for a given meeting shall be limited to an agenda which will be mutually developed in advance of the meeting.
- B. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waive the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement. However, the parties shall not be precluded from mutually and voluntarily agreeing to reopen any provision of this Agreement for re-negotiation during the term of this Agreement.
- C. In any negotiations between the parties, neither party shall have any control over the selection of the negotiators or bargaining representatives of the other party, and each party may select its representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association. The parties mutually pledge that representatives selected by them shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining subject only to such ultimate ratification.
- D. There are no understandings or agreements or past practices which are binding on either the District or the Association other than the written agreements enumerated or referred to in this Agreement. No further agreement shall be binding on either the District or the Association until it has been placed in writing and signed by both the District and the Association as either an amendment to this Agreement or as a Letter of Understanding executed by both parties.

## **ARTICLE XII**

### **ASSIGNMENTS, VACANCIES AND TRANSFERS**

- A. A “permanent” vacancy shall be defined as a newly created position within a classification represented by the Association in this bargaining unit or a present position within a classification represented by the Association in this bargaining unit which position becomes vacant by reason of the permanent separation (resignation, death, discharge or leave of absence exceeding twelve (12) months) of the Bargaining Unit Member formerly in said position.
- A “temporary vacancy” shall be defined as an existing bargaining unit position which becomes open due to the absence of a Bargaining Unit Member or due to anticipated short-term staffing needs for a period exceeding thirty (30) consecutive workdays, but not to exceed twelve (12) months.

No "vacancy", permanent or temporary, shall exist for purposes of this Article unless and until the Board shall determine to fill any such position, which determination shall be within the sole discretionary authority of the Board.

**B. The following provisions shall apply to the filling of temporary vacancies:**

- 1. Temporary vacancies shall be posted for five (5) workdays prior to being filled. During the posting period the Board has the right to use a non-bargaining unit substitute to fill the opening.**
- 2. Any qualified Bargaining Unit Member who has completed the probationary period in his/her current classification has the right to apply for a temporary vacancy in the same or another classification. This shall not restrict the Board from also considering external applicants. Selection of an applicant to fill a temporary vacancy is the right of the Board.**
- 3. If a Bargaining Unit Member is selected to fill a temporary vacancy, the following conditions apply:**
  - a. If the temporary vacancy is in the same classification as the Bargaining Unit Member's current assignment, the Bargaining Unit Member will continue to receive the same hourly rate in the temporary assignment. If the temporary vacancy is in a different classification than the Bargaining Unit Member's current assignment, the Bargaining Unit Member for the first thirty (30) working days in the temporary assignment shall be paid at the "First Year" level for the classification which the temporary assignment exists as set forth in Appendix A. After thirty (30) working days, the Bargaining Unit Member shall be advanced to the "Second Year" wage level in the classification in which temporary assignment exists, as set forth in Appendix A, provided that the Bargaining Unit Member filling the temporary vacancy has been in the employ of the Board for at least twelve (12) months.**
  - b. During the period of temporary assignment, the Bargaining Unit Member shall not earn or accrue seniority in the classification in which the temporary assignment is being performed but shall continue to accrue seniority in the classification of the Bargaining Unit Member immediately prior to being awarded the temporary assignment.**
  - c. Either the Board or the Bargaining Unit Member has the right to discontinue the assignment of the Bargaining Unit Member to the temporary assignment upon two (2) work days' notice.**
  - d. At the conclusion of the temporary assignment, the Bargaining Unit Member shall be returned to the assignment that he/she occupied immediately prior to accepting the temporary assignment subject to the layoff and recall provisions of this Agreement. During the period of a temporary assignment the Board has the right to assign a non-bargaining unit substitute to the position normally held by the Bargaining Unit Member who has received temporary assignment. There is no requirement to treat the latter opening as a temporary vacancy.**

**C. The following provisions apply to the filling of permanent vacancies:**

- 1. All “permanent” vacancies shall be posted for a period of at least five (5) workdays for application by internal and external applicants prior to the permanent filling of the position. There shall be no requirement to post vacancies, as defined above, where the position may be filled by return of a Bargaining Unit Member from leave of absence or by recall from layoff.**

**If a permanent vacancy has not been filled within twenty (20) workdays from the posting deadline, it will be re-posted if the Board still desires to fill the permanent vacancy.**

- 2. Bargaining Unit Members may apply for a permanent vacancy by filing a written application with the Superintendent or his/her designee within the applicable posting period. All postings shall contain a statement of job qualifications and responsibilities, anticipated hours, rate of pay, immediate supervisor, and work location.**
- 3. Management retains the right to select the best-qualified applicant, internal or external, to fill a permanent vacancy. Bargaining Unit Members within a classification shall receive first consideration for a permanent vacancy in the same classification provided that their qualifications, work record and ability are equal to or better than those of an external applicant.**
- 4. A successful candidate from within the bargaining unit shall be placed on a probationary period for thirty (30) days when awarded a permanent vacancy according to the procedure described above. If the Board is not satisfied with the Bargaining Unit Member's performance in the new assignment or if the Bargaining Unit Member so elects, he/she shall be returned to his/her former position and rate of pay by the conclusion of the thirty (30) day probationary period. It is understood that while serving this probationary period the Bargaining Unit Member will receive the rate of pay appropriate to the new position. Further, during this thirty- (30) day trial period the Board shall have the right to utilize a non-bargaining unit substitute in the Bargaining Unit Member's former assignment**
- 5. The applicant selected for a permanent vacancy shall be notified of that selection and the time and place to report for work. Employee applicants not selected shall be notified of that fact.**

**D. District-required training for use of new types of equipment, technology or services to students shall be provided without loss of compensation and at no cost to the Employee. Both the Association and its Bargaining Unit Members recognize the importance of such training in contributing to the efficient operation of the school district.**

**E. The right of assignment and transfer is reserved to the school district, through its administration.**

- F. Should a Bargaining Unit Member be required to temporarily assume and perform the duties of another Bargaining Unit Member, assigned to a different classification, the Employee shall receive the higher of his/her regular rate or the rate associated with the temporary assignment. However, this shall not apply when the Bargaining Unit Member makes application for and is awarded a temporary vacancy under the procedures and conditions established in Paragraph B of this Article.
- G. The administration shall provide the Association with notice of proposed or amended job descriptions for bargaining unit positions prior to final adoption by the Administration. Furthermore, the Administration agrees to consider input from the Association prior to final adoption of new job descriptions for bargaining unit positions.

### **ARTICLE XIII**

#### **WORK SCHEDULES**

- A. The normal work year for school term Employees shall be determined annually by the District. The normal work year for all other Bargaining Unit Members shall be twelve (12) months and shall run from July 1 to June 30.
- B. The work day and schedule for all Bargaining Unit Members shall be established by the District, based on the District's determination of the needs and resources of the District, and may be changed from time to time as is deemed necessary and appropriate by the Board. The initially established work schedule for school year Bargaining Unit Members will be given to them within fifteen (15) workdays after the beginning of the school year. The normal workweek shall be Monday through Friday. A payroll week will be based on a work period Saturday 12:00 a.m. through Friday 11.59 p.m. Employees will be paid for time worked but must have advance authorization from their immediate supervisor to work beyond their regularly scheduled hours, as designated by the District. However, Employees scheduled to work partial days will receive credit toward their "yearly hours" insurance credit for their normal daily work hours on such days. "Partial days" means days of scheduled half-days, delays, or early dismissals.
- C. Bargaining Unit Members shall report at the designated starting time of their shift and shall not leave, without permission (except during their unpaid lunch period) until their established quitting time. Bargaining Unit Members who must leave the premises at any time for any reason shall inform their immediate supervisor of the reason for leaving, destination, estimated time of return, and secure the supervisor's permission prior to leaving, provided that a supervisor is available.

If a supervisor is not available, the Employee shall make a written report to the supervisor the following workday.
- D. A thirty (30) minute unpaid lunch period shall be allotted daily to a Bargaining Unit Member who is scheduled to work at least four (4) hours in his/her assigned shift. The unpaid lunch period shall be scheduled by the Bargaining Unit Member with his/her

immediate supervisor in order to minimize any interference with school program operations and services.

If it becomes necessary for a supervisor when no other option is available to have to ask a Bargaining Unit Member to work through his/her regularly scheduled lunch hour, the lunch will either be taken during the same work shift or the supervisor and Employee may agree to a paid lunch period that is not duty free.

- E. If Bargaining Unit Members are required to work on rescheduled days of student instruction which are established by the District, they will be paid at their regular hourly rate for those services. Bargaining Unit Members required to work on days when school is not in session shall be paid at their regular rate of pay for such days.
- F. Any Bargaining Unit Member who is scheduled to perform work outside and in addition to his/her normal working hours shall be guaranteed two (2) hours of work or two (2) hours of pay. The District may assign Bargaining Unit Members to any work available in their classification during these periods. The above standard shall not be applicable when the additional work is occasionally scheduled immediately before or after the Employee's normal work shift.
- G. If the District determines that there are work opportunities for Instructional Assistants on Parent-Teacher Conference days when pupils are not in attendance, those opportunities shall be rotated among the Instructional Assistants within each educational level (i.e. Elementary, Secondary) who are qualified to perform the extra work.
- H. Work opportunities may arise prior to the beginning of the school year or throughout the summer for school year/student day scheduled Employees to work. (Example: Preparation day before school begins; summer Professional Development.) If the Employees elect to work, the additional worked days will not entitle them to additional holiday pay
- I. Bargaining Unit Members who are school year Employees and who wish to work during the summer months in work encompassed within the job classifications under this Agreement shall give written notice to that effect to the District not later than June 1 indicating the nature of the work desired, the Bargaining Unit Member's qualifications, and the dates/times of availability for work. If the District decides to allocate this work to a Bargaining Unit Member, the hours worked will not count toward eligibility for or level of District contributions for fringe benefits under Article XVII.
- J. An Educational Assistant must meet the requirements established by the district to ensure that all Educational Assistants meet the Every Student Succeeds Act. An Educational Assistant must meet one of the following requirements:
  - Complete at least two years of study at an institution of higher education equal to 60 semester hours; or
  - Obtain an associate's degree (or higher); or
  - Pass the ETS Parapro Assessment

- K. Bargaining Unit Members may be asked to sub for a person in another support staff classification. They will receive the hourly wage for the classification they are subbing in at their current step or their regular wage whichever is greater.**

**Educational Assistants may be asked to substitute in a teaching position based on qualifications (Section M). When substituting for a teacher, he/she will receive the current teacher substitute rate of pay/or hourly wage whichever is greater plus a \$20.00 stipend for a full day and \$10.00 for a half day. A Teacher Substitute list will be established at the beginning of the school year and modified throughout the year as additional Educational Assistants become qualified. Building Sub/Utility Educational Assistants would be exempt from this clause.**

**L. Procedures For Using Educational Assistants as Teaching Substitutes**

- 1. All substitutes currently on EPS substitute list not employed in Evart Public Schools must be called first.**
- 2. Educational Assistants who already have a substitute permit, if required, will be used next to fill an open position if requested to do so by the principal of the building.**
- 3. Educational Assistants who have 60 credit hours will be used next to fill the open position. In the event no Educational Assistant is available in the building that has the opening, the Principal of the building will contact the other building principals for help. This could result in an Educational Assistant from another building filling the open position.**
- 4. Educational Assistants shall only be used to cover as Teacher Substitutes when applicable by law.**
- 5. Building Sub/Utility Educational Assistants would be exempt from this clause.**

## **ARTICLE XIV**

### **OVERTIME**

- A. Bargaining Unit Members shall be compensated at the rate of one and one-half (1-1/2) times their regular rate for all hours worked in excess of forty (40) hours in the same workweek or in excess of eight (8) hours in one day. Absence due to illness shall not be considered time worked for the purposes of overtime computation.**
- B. Whenever the District requires overtime, that work shall be rotated, initially on a seniority basis, within a specific classification (as defined in this Agreement) within the building where the overtime is required. When a Bargaining Unit Member accepts or properly declines overtime, his/her name will be dropped to the bottom of the rotation list. If a Bargaining Unit Member is eligible for an overtime assignment and has proper cause to decline that assignment, the work will then be assigned to the next person on the rotation list within the same classification and in the same building. If that person has proper cause to decline the assignment, the work will next be assigned to the person within the same classification in the district having the least amount of charged overtime.**
- 1. It is understood that the Employer shall not be required to assign overtime to any Bargaining Unit Member where acceptance of the overtime would coincide or**

conflict with the Bargaining Unit Member's normally scheduled hours of work. In such instances, an Employee who is not offered the overtime assignment shall not be charged the overtime hours as if the Employee had declined the assignment.

2. It is also recognized that the Employer may deviate from strict rotation of overtime assignments in any classification under this contract where more than one daily work shift has been established. For example, the Employer could properly first assign required overtime work at the conclusion of a night custodial-maintenance shift to the Bargaining Unit Member within that classification and on that shift with the least amount of charged overtime. This could occur even though there might be a custodial-maintenance Employee on the day shift in the same building with fewer hours of charged overtime.
  3. It is understood that the Employer has the right to assign non-bargaining unit personnel to perform any necessary overtime assignments if an available Bargaining Unit Member within the proper classification cannot be secured to perform the assignment in accordance with the provisions and procedures set forth in this Article.
- C. Bargaining Unit Members assigned overtime under this Article may not refuse the assignment except for proper cause acceptable to the District. The District may require the Employee to verify the circumstances supporting proper refusal of an overtime assignment.
- D. Overtime pay shall not be compounded or paid twice for the same hours worked.
- E. Any Bargaining Unit Member who is excused from work due to illness, vacation or other paid leave time under this contract shall not be eligible to be called for overtime work until that Employee returns to work following such absence for a full work shift.

## **ARTICLE XV**

These work requirements shall be waived by the Superintendent or designee in circumstances such as, but not limited to, a death in the Employee's immediate family, medical condition of the Employee, or an illness or injury resulting in incapacitation as determined by a physician, or hospitalization of the Employee. Employees who are absent for an acceptable (Article IX, Paragraph A2) reason may have these requirements waived by the Superintendent or designee. Employees who are absent for an acceptable (Article IX, paragraph A2) reason on either side of a scheduled break containing more than one (1) holiday shall lose pay for one (1) holiday.

Full-time twelve (12)-month Employees shall receive holiday pay for the Fourth of July, or holidays over the Winter break, if these holidays are part of a scheduled vacation.

Thanksgiving Day  
Day after Thanksgiving  
Christmas Eve Day  
Christmas Day  
New Year's Eve Day  
President's Day (if school is closed. If school is not closed, a different day will be given).

- B. If any of the holidays designated below fall on a Sunday, the following Monday shall be considered the holiday and the Employees shall have that Monday off at their regular rate.

If any of the holidays designated below fall on a Saturday, the Employees shall have the previous Friday off at their regular rate as the observed holiday.

New Year's Day  
Christmas Day  
Fourth of July

Where New Year's Day and/or Christmas Day fall on a Saturday or Sunday and are re-designated in accordance with paragraph D of this Article, the work day immediately preceding the day on which the holiday will be observed shall be considered the "Eve Day" holiday as identified in paragraph B. For example, if Christmas Day falls on a Saturday, Christmas will be designated to occur on Friday and Thursday observed as the "Eve Day" holiday.
